

## **GUNN'S RULES**

At a meeting with Scott Scozzola and representatives from all of the other clubs at DeBell, major rules changes have been made. They will be in effect for our July tournament and on the golf course soon for regular play.

1. The provision that balls entering the cart path on holes #11 and #15 be played from their point of entry has been rescinded. On both of these holes you will play the ball as it lies.
2. Additionally, the out-of-bound stakes on #11 going up the hill on the left will be moved to the right of the cart path. This means that if you hit it to the left of the stakes you will be out of bounds and you must take the penalty and re-hit your shot.
3. To help alleviate balls on #15 hitting the cart path and then rolling all the way down , speed bumps will be installed. If the ball stops on the path because of the speed bumps you will take your normal drop, no closer to the hole, without penalty.
4. There will no longer be a free drop for balls entering the flower beds behind the green on #15. Either play the ball or take an unplayable lie penalty.

On dates where we have major tournaments, i.e., Club Championship or Tournament of Champions, Scott will, upon request, have the course marked for ground under repair. This will make the tournaments more fair.

If anyone has any questions, feel free to call me.
